

June 2017

Dear Parents,

With the end of the school quickly approaching, we know you are likely planning summer BBQs, vacations, and family rituals. The summer months welcome opportunities for fun, relaxation, and plenty of outdoor play (with the occasional knee scuff, I am sure). While this break from school activities can be exciting, it also causes students to experience a lag in learning upon returning to school in the fall, a lag we want to prevent. In the name of prevention, we invite you and your child to participate in our summer reading program.

Not only are committed to preparing your child for college, we also want to ensure he/she maintains a lifelong love for learning. Simply put, we want your child to read something academically challenging that he/she will authentically enjoy; therefore, we compiled three novel options for each grade level for students to choose from. From graphic novels and science fiction to memoirs and love stories, the options cover a broad spectrum of reading levels, genres, cultures, and structures to make summer reading accessible, engaging, and enriching for your child. Accompanying the reading, students are required to keep a chapter summary log and construct a short essay upon completion; the combination of these two assignment will be collected Friday 9/1/17 and graded as students' first assignment (more details are attached on the assignment page that follows).

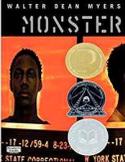

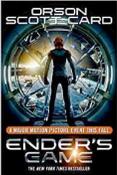

While it is a healthy challenge, reading independently without discussing a novel can quickly disengage a child; therefore, we suggest parents pick-up a copy of their child's selection and read along with them. If you are unable to rent or purchase the novel your child selects, please contact the school at (508) 857-4633 for assistance. Together we can make summer reading an adventure that your child is eager to journey into!

Warmly,

Janice Manning
Principal
