Celebrating Black History and Our 2025 MCSAO Championship

As Black History Month approaches, we want to remind everyone of the importance of celebrating African Americans' remarkable achievements and contributions to the United States. Black History Month began in 1915, half a century after the 13th Amendment. It was founded by Harvard-trained historian Carter G. Woodson and prominent minister Jesse E. Moorland, who established the Association for the Study of Negro Life and History. This organization is dedicated to researching and promoting the achievements of Black Americans and people of African descent.

New Heights is also celebrating our Phoenix Girls and Boys Varsity Basketball teams' victories at the 2025 Massachusetts Charter School Athletic Organization (MCSAO). We are incredibly proud of all of you. We also know that you could not have achieved this milestone in your athletic journey without the outstanding athletics team led by Mr. Diggs and his assistant, Mr. Andrade— your parents, your classmates, and cheerleaders, your friends and your amazing teachers.

Mr. Diggs, you have taken on a challenging and critical role. From the beginning, when I asked you to build an authentic athletic program that prioritizes our athletes

as scholars, you have done just that since day one. Before Mr. Andrade joined us, you were the athletic director, coach, trainer, security, and grounds crew all at once. You have successfully led our school and athletic program through two successful seasons. I sincerely thank you and Mr. Andrade for being examples of consistency and integrity for all our scholars and staff.

Lastly, to our exceptional coaches, Mr. Hosea and Mr. Gadry, you could not make us more proud.

Thank you for all you have done to lead our teams to victory.
