## Community Eligibility Provision Notice of Direct Certification – REDUCED PRICE

---

Dear Parent/Guardian:

**New Heights Charter School of Brockton** is pleased to announce our participation in the Community Eligibility Provision (CEP) of the National School Lunch Program (NSLP). This special provision allows our school(s) to provide breakfast and lunch at no cost for all students, and families are no longer required to complete an application to access meal benefits.

School districts are still required to conduct Direct Certification and notify households of the results. This notification is to let you know that your child has qualified in the reduced price meals category based on Direct Certification. Your child will continue to receive meals at no cost.

If there are other children in your household who aren't listed, they also qualify in the reduced price meals category. Eligible students either:

- receive Medicaid or
- live in a household with a child that receives Medicaid AND has a family income as measured by the Medicaid Program that does not exceed NSLP income standards.

If you are not receiving Supplemental Nutrition Assistance Program (SNAP) benefits and have been approved for reduced price school meals, you may be eligible for SNAP which provides monthly financial assistance to purchase groceries to Massachusetts residents who qualify. Find out if you are eligible for SNAP today by calling Project Bread's FoodSource Hotline at 1-800-645-8333 and a counselor can help you apply over the phone. You can also apply on your own online at DTA Connect:
