NEW HEIGHTS NEWS

Happy Holidays

To all of our amazing NHCSB scholars, friends & families

Happy Holidays from NHCSB! We want to wish everyone a safe, healthy, and happy holiday season. We can't wait to see everyone after the break. In the meantime, we wanted to update you on all the latest school news. This will be a monthly newsletter to update scholars and their families of all noteworthy news, announcements, special dates, student profiles, etc. So stay tuned for this exciting adventure.

INTRODUCING: COFFEE & CURRICULUM WITH KAYLA LEARY

Attention Middle School Parents! Every second Saturday of the month at 9am, our Curriculum Director, Kayla Leary will be hosting an hour long discussion about our current curriculum. Parents and teachers will be invited to have an open discussion on ideas and suggestions--- and if you sign up, we'll be sending a Dunkin' gift card so you can sip on a coffee while participating! Call or email the FRC (see below) for more information or to sign up.

Student Profile: Sauvanie Lorrinvil

We all go to college. Period.

As a newly acquainted seventh grader at New Heights, it was hard for me to visualize myself ever fulfilling this statement. As I look at how far I have come, I am so proud of my accomplishments and the opportunities New Heights has given me to fulfill this goal. I began taking college classes in the eighth grade, which led me to surmount enough high school credits and college credits to be considered a rising senior at the end of my sophomore year of high school. Because of this acceleration, I skipped my junior year altogether and advanced into my senior year of high school. Now, I am on track to graduate from New Heights with both a high school diploma and an Associates degree in the Spring of 2021. I am living proof that the New Heights mission holds true. We ALL go to college. Period.
