NEW HEIGHTS NEWS

BLACK HISTORY MONTH CELEBRATIONS!

February is Black History Month and our scholars and staff have been attending informative celebrations. On February 4th, our school had the privilege of hosting a Black Arts Panel. Guest speakers included: Horace Small, Founder and Director of Union of Minority Neighborhoods and Black Ballot Power. Corey DePina, Hip Hop Artist/Musician and Director of Programs, Zumix. Che Anderson, Artist and Co-Founder of POW! WOW! Akrobatik, Hip Hop Artist and UMASS Boston Educator. Also on the panel was our very own Simone Butler Reese, 10th Grade NH Scholar and founder of YOUNG, BLACK, and MOTIVATED and Maddison Powe, NH Scholar and Artist. Kick off for Women's History Month starts March 1. Check your email for events and activities!

SPOTLIGHT

NEW COLLEGE PARTNERSHIP

Educators from NHCSB and Nichols College meet to finalize our new partnership.

M.Fernandes and P.Fontes have been committed to fostering and developing formal relationships with four-year institutions to create seamless pathways to post-secondary institutions for our scholars. Formal MOUs can vary from institution to institution, but the ultimate objective is to encourage persistence in college after graduation from NHCSB. Our first formal partnership is with **Nichols College!**

scholars, and providing access to dynamic and transformational business and leadership education for NHCSB students at Nichols College.

This Agreement is formed to enable a seamless pathway for New Heights Charter School graduates to Nichols College through:

- An accelerated acceptance process for New Heights Charter School students applying to Nichols College
- A clear tuition rate for New Heights Charter School students depending on their GPA and number of college credits earned
- A credit transfer policy whereby all (up to 62) college level credits earned while enrolled at New Heights will be accepted.

New Heights Charter School and Nichols College recognize that, for many students, a bachelor's degree is an important step to realizing a life of maximum earning power. NHCSB and Nichols College share the objectives of helping students reduce the time and expense to attain a bachelor's degree for NHCSB

ENROLLMENT APPLICATIONS DUE 3/5/21 for 3/12/21 LOTTERY

Student Profile: Remy Weddmmaer

NHCSB was designed with the hopes of providing students with the opportunity to earn an Associate's degree while still in high school. Last Year, Remy Weddmmaer started his journey to exceed these expectations by enrolling into his first college credit bearing class as a 6th grader. If he stays on this course, he will have the opportunity to be the first student at NHCSB to graduate with his Bachelor's rather than his Associate's degree while still in high school. As a 7th grader, he is currently enrolled in 2 college courses at Massasoit Community College. He has now joined his two older siblings in the Early College program and his mother states that she could not be happier to have three scholars attending our school. Ms. Weddmmaer went on to say: "We knew he was smart early on, but he is also humble." According to Remy, his siblings and peers have been very supportive of his accelerated education plan. "They are happy for me," said Remy.

ATTENTION: PARENTS OF GRADUATING SENIORS

As you may know, the school year is coming to an end in just a few months. With that being said, the Yearbook Committee would like for families of our graduating seniors to send in a baby picture of their child if they would like it to be included in a section of the yearbook. Again, this is just for the senior class. We hope that many of you will participate. If you have any questions please reach out to Ms. Crane (ccrane@nhcsb.org). Thank you for your support!
